

The Pecos River

Recovering Together

Join us as we experience the tranquility of this lovely Pecos Monastery setting. The monastery is nestled in a valley (7000 feet high) in New Mexico's Sangre de Cristo Mountains.

We'll be exploring our theme of 'Twelve Stepping a Problem' with meetings and sharing, and in silence together. The extensive monastery property offers many areas for walking, vigorous hiking, and places to rest and meditate. There will be contemplative arts and crafts and other inspirational activities.

On Saturday evening, we'll come together for a ceremony to close our silent period and share our experiences.

Enjoy this serene and beautiful autumn weekend with our OA community.
